Marcie Thomas - Treasurer
Carolyn Palacios - Secretary
Natalie Reyes – Community Outreach
John Obregon – Coaches Coordinator
Jackie Faz – Fundraising Coordinator

Dear Sponsor,

My name is _____. I am a volleyball player for the La Vernia Volleyball Club (LVVC) www.laverniavolleyballclub.com

LVVC competes in the USAV (United States Association of Volleyball, www.teamusa.org/USA-Volleyball). Our club provides players with an opportunity to develop skills, strategy, and technique in volleyball, as well as, reveal character and improve relationship and social skills. The tournaments present new, exciting, and intense challenges that I enjoy competing in: however, the sport of volleyball has expenses we all share.

The tuition for the season is \$2,775. Our team is a national team that will be attending three National Qualifiers throughout the country. We will also be competing out of state, as well as Dallas, Houston, San Antonio, and Austin. Our tuition pays for our team's traveling fees, gym rental, equipment, tournament fees, registration fees, coaches, and uniforms. At these extremely competitive tournaments, college coaches from around the country come to watch, which is our opportunity to show our skills in hopes of earning a volleyball scholarship. Our season begins in November and ends in May, with Nationals in June.

I am asking you to sponsor me in the USAV – La Vernia Volleyball Club as I strive to better myself as a person and a player, as well as, earn a college scholarship. Any amount of sponsorship would be tremendously appreciated. Checks are payable to LVVC (please place my name {the player} in the 'notes/for' portion of the check). Our treasurer will be happy to provide a receipt for your contribution upon request.

Please contact our club director if you would like additional information about our club. Thank you very much for taking time to consider my request!

Respectfully Yours,

La Vernia Volleyball Club Player
